The Comptroller has the honor to observe from the District Fund Accounts the following irregularities which retard the progress of audit in this office and to request therefore that the Presidents of District Boards will be so good as to issue to the Vice-Presidents such instructions as may be necessary to prevent their recurrence in future :—

(1) The amounts of four or five vouchers are clubbed together and the total amount is entered in the list of payments, although each relates to separate items of expenditure and one voucher number is given to more than one bill.

(2) All paid vouchers do not bear "Paid stamp" as required by rule.

(3) Payees' receipts obtained for payments made on account of contingent and other supplies are charged in the list of payments instead of being attached to contingent bills as supporting vouchers, some of which are required to be kept by the disbursing officers as per Codal Rules.

(4) One bill is prepared for charges debitable to two or more major heads.
